MEMORANDUM FOR CABINET MEMBERS

FROM:

PETER G. BOURNE *P.B.*

SUBJECT:

FOLLOW UP ON PRESIDENT'S MESSAGE ON DRUG ABUSE

The President, in his Message on Drug Abuse of August 2, 1977, directed a number of departments and agencies to perform specific functions within a set time-frame. In my letter of August 4, I noted that the Office of Drug Abuse Policy has been given the responsibility of following up on all the directives contained in the Message and that we expected to have a report to the President before the end of the calendar year.

I would therefore request that you designate a member of your staff to attend a meeting to be held on October 4 in Room 308 of the Old Executive Office Building at 10:00 a.m. to discuss your activities pursuant to the Message. For your convenience, I have attached a copy of my letter to you outlining the issues which pertain to your department. We plan to have a Congressional briefing the next day on the Message and would therefore appreciate your providing summaries of your progress to date.

I thank you for your continuing cooperation in this matter.
